 1 The above is an extract of the detailed format of Consolidated Financial Results for the quarter and nine months ended on December 31, 2020 filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the Consolidated Financial Results for the quarter and nine months ended on December 31, 2020 are available on the websites of the Stock Exchange(s) [www.nseindia.com](http://www.nseindia.com) and [www.bseindia.com](http://www.bseindia.com) and on the Company's Website [www.ratnamani.com](http://www.ratnamani.com).  
 2 The above consolidated financial results of Ratnamani Metals & Tubes Limited (the "Company" and along with its subsidiary, the "Group") were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meetings held on February 01, 2021 and February 02, 2021, respectively. The aforesaid unaudited consolidated financial results have been subjected to limited review by joint statutory auditors of the Company.  
 3 The Group is engaged in manufacturing of Steel Tubes and Pipes. Considering the nature of Group's business and operations, as well as based on reviews of operating results by the chief operating decision makers to make decisions about resource allocation and performance measurement, the Group has identified "Steel Tubes and Pipes" as only reportable segment in accordance with the requirements of 'Ind AS 108 - Operating Segments'.  
 4 With the easing of lockdown in various states of India and the increasing economic activities in phased manner, the Group has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID-19. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions including conditions in India because of this pandemic, the Group, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the Group. There have been certain delays in finalisation of orders at the customers' end due to COVID-19 impacting the sales performance of the Group for the third quarter, however, the Group has performed sensitivity analysis on the assumptions used and based on current estimates, expects the carrying amount of these assets are fully recoverable. The Group continues to regularly review and moderate their significant estimates, including regular discussions with its key customers and vendors. The Group believes that impact of COVID-19 on the Group's overall financial results is not material.  
 5 The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Group will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
